## **Biography**

**Session 3: The role of ICT to ensure a global sustainable future**  
**Session chair: Mario Campolargo**  
**Day 1 - January 22, 2009**

### **Steven Bratt**

Chief Executive Officer

World Wide Web Consortium and World Wide Web Foundation

Steve joined the World Wide Web Consortium in January 2002. He has primary responsibility for worldwide operations, outreach, Member relations, process, staff, strategic planning, budget, legal matters, external liaisons and major events. Steve is also leading the launch of the new World Wide Web Foundation.

In October 2008, Steve was named CEO of the new World Wide Web Foundation. He will transition out of his W3C responsibilities in early 2009 to work full time on the launch and leadership of the Foundation.

Previously, Steve held leadership positions within the Comprehensive Nuclear-Test-Ban Treaty Organization in Vienna, Austria; the US Defense Advanced Research Projects Agency; and Science Applications International Corporation.

Steve received his Ph.D. from the Massachusetts Institute of Technology, and his B.S. from the Pennsylvania State University.
